RE: Amend 511 IAC 6-7.1-6 Core 40 Diploma with Academic Honors

MEMORANDUM

Recommendation: amend 511 IAC 6-7.1-6 to account for new SAT scoring.

The State Board of Education (“Board”) staff recommend the Board amend 511 IAC 6-7.1-6 (Core 40 Diploma with Academic Honors) as the existing administrative rule regarding SAT scores has become outdated. The Board staff recommends amending the administrative rule to account for the updated SAT scoring methodology. The Board will not be approving any language at this meeting, merely granting the Board staff permission to begin the rulemaking process. The process will proceed as follows:

- Staff will file initial paperwork with LSA to let them know we have approval from the Board to begin the rulemaking process.
- Staff will present a Proposed Rule to the Board for adoption at a later meeting.
- Once a Proposed Rule is adopted by the Board, it will be published for public comment, and a public hearing will be held.
- The Board will then adopt a Final Rule based on public comments and any recommended technical changes from staff.
